Back Pain.....Meeting the challenge together

About 50% of adults will have back or neck pain at some point during the next year – that is over 25 million people

As a charity, BackCare aims to work alongside some of the most forward-thinking individuals, organisations, and companies to help us develop awareness of back pain prevention, as well as helping those living with back pain - whether through injury, wear and tear, musculoskeletal disorders such as Axial SpA, Scoliosis and Spina Bifida or other underlying health conditions like Multiple Sclerosis, Parkinson’s Disease and Cancer, for example.
